“ *What a truly amazing woman. To talk to her was like having your grandmother telling you stories of your family. Extremely intelligent and witty. Fun loving and just a joy to be around. Loved just sitting and listening to her amazing life and to have her speak so well of my family was truly heartwarming. She quickly became a friend you knew you could always rely on and would be there if you needed her. She will be missed by me and George you know if you need me just holler and I'll be there for ya.*

“ Mrs Evans has been my neighbor for 22 years and I could not ask for a better neighbor! A most sweet and caring person, ALWAYS asking about my elderly Mom who shares my home. So many times she has told me she will keep us in her prayers. I most certainly will miss seeing her on the front porch. George & Nate and all the rest of the family, you have our most sincere condolences.....Jan & Midge
