“ Wow, it's been such a long time since I last spoke with you, Tinse, and had you to remind me that we shared the same name and I am SO SORRY that it's taken something this heartbreaking to let me make contact with you but hope that you know that my heart truly goes out to you and I think of you so very often. Both my parents (Walter & Shell Curry) thought the world of you and my childhood memories always have you at the company store with that beautiful smile. Please know that I will say a prayer for you and your family during this difficult time and, if you ever need someone to talk to, I am here for you.
