“ *I've been blessed with some wonderful aunts. And I sure hate to see them go. She gave me my first driving lesson. Told me I could be something. I think only the best people do this thing where they bite their tongues when they get mad lol. It's hereditary. She did it and I do it too. Lots of us do in this family. She was wonderful. Truly great aunts are like second mothers and that's what she was. Heaven just got better when she walked in. She was surely loved.*
