

James "Jamie" Muncy

October 2, 1970 - October 8, 2024

James L. "Jamie" Muncy, 54, of Delbarton, West Virginia, passed away while at Pikeville Medical Center, surrounded by his family. He was born on October 2, 1970 to the late James "Duffy" and Judith Browning Muncy in South Williamson, Kentucky.

Jamie spent his life working as a Coal Miner. He loved spending time with family, especially his boys, and watching sporting events as often as he could. He loved taking time and going in the hills hunting with his boys, but the one thing he really looked forward to was becoming a grandfather to his first grandson. He will be dearly missed.

Jamie leaves behind his two loving sons, Christopher (Hannah) Muncy and Leroy (Davie) Muncy, his brother, Thomas "T.J." (Amanda) Muncy, his nephews, Caleb and Alex Muncy, and the mother of his children, Kathy Muncy. He also leaves behind a host of other loving family members and lifelong friends.

In honoring the wishes of Jamie, cremation will take place. No services will be announced at this time. Chafin Funeral Home is proudly serving the Muncy family.
