“ Jay truly blessed every person that heard him sing. All our lives we've been together 🙏 good and bad we were there. There's be times that we hadn't gotten to see each other or talk for a while but when we did it was like we never missed a beat! Laughing over old times and missing family members who'd gone on before us. Jay was my favorite cousin but he felt more like my brother. I can see it now, your up there singing with the angels!! Val, I love you so much 🙏 my sister, he truly loved you and Haley, y'all were a wonderful blessing to all of us. I love you all ❤️
