“ *Though I didn't know Jean; I do know her son James. There is an old saying: "the apple doesn't fall far from the tree". I'm sure she was a wonderful lady, and we offer condolences and prayers for all who grieve her passing.*

“ I did not learn of Jean's passing until several days afterward. I was honored to have known Jean and Benny. Equally honored, for a significant part of my life, to have been enmeshed with the entire family...all of whom I hold with the highest regard and respect. Your best "favorite" clothing always winds up in the top drawer...that is how I describe Jean, Benny, and all the Simpkins family. Jean...see ya' again!

“ Jean, Nanny as she was called by most of her grandchildren and great grandchildren was a beautiful lady inside and out. She carried a smile and always had a kind word for anyone she met. Jean loved her family, her children and especially her grandchildren and great grandchildren. She made such an impact on our lives. In a quote " It's hard to forget someone who gave you so much to remember." She did that. Nanny not only will you be missed by your family but Chip and I will miss you very much. Your in GOD's hands now so rest in peace. We Love you and will keep you always in our hearts. ❤️😭
