“ *I still miss you so much Pop. 4 years ago when we said our goodbyes and I love yous in that hospital, I lost my best friend. You are spoken of daily around here by one of us and the grandbabies that are older still remember you. We have our sweet memories and precious pictures to look back on. I will be back beside you one day on that hill when God decides it's my time. Until then , like you always said to us, "bye bye, I love you too, see you later"❤️*

“ John Lewis and James Brewer were always helping Dad bring in coal for the stove at the old family restaurant. There were many times it would just be the 3 of us there playing the juke box, gossiping like old women, and generally just shooting the bull. Life was simple then, and very enjoyable. Miss talking to him. Rest in peace John.

“ The Maynard cemetery that Pop is going to be laid to rest is not in Hamlin, it is where Tic Tok Tire (Where the old Ramblin' Rose was) it's located across from Mikes Harley Davidson shop on 119 toward Logan. The Google directions on Chafins Funeral home website is wrong. Just wanted to let everyone know. Kathy
