“ Harley, David and Bruce. My HEART aches to hear of Johnny passing. The TIMES we have played, vacation, ate together are to numerous to count. Getting in trouble together. Johnny and I stole a belt with 2 cap guns and buried in chicken coup. Mother found out with the eyes behind her head, told Helen and Dad. Not sure what happen to Johnny but Dad beat me to a inch of my life. (TRUE) to go back to those days just 1 more time to all be together again. Harley, David and Bruce I love you guys with all my heart.
