“ I only met Johnny Mack once, Dec. 31, 2008. My New Years Eve Party had gotten "out of control" and called Kathy for back up. Johnny Mack came and did the "handling". Both stayed and I never had to call them again. I talked with him several times when I was watching the Avon store for Kathy, he would always call before he went to work to talk with Kathy. May he RIP and live on in the memories of family and friends.
