“ *Love you always! Thank you for being a wonderful part of my life ,
now you 'll never grow old'n*

Or you can open your eyes and see all that she has left.
Your heart can be empty because you can't see her
Or you can be full of the love that you shared.
You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday.
You can remember her and only that she is gone
Or you can cherish her memory and let it live on.
You can cry and close your mind, be empty and turn your
back.

“ Sweet auntie Jo,
can't stop thinking of you. We look out the
window and see bushes of
Hibiscus we brought to Michigan from your
house. You Loved your
flowers and garden so much. I can see you showing me your
cucumbers
and tomatoes. You sure were a worker. I loved spray painting car
parts with you
in the factory here. Thanksgiving at your house here ,we ate so
much and
that night my Johnny was born, We laughed and called him
butterball. When we
moved to WV. It was so nice ,I would come and have coffee with
you and you
always had a cake for me. When I moved here you sent me a
beautiful cup
and I would call you in the morning sometime and you would get
your coffee
and we would have our talks and laugh like we were at your kitchen
table.
I will always remember how amazed you were when Dick moved
that big
dog house for you. Oh so many memories. I never had a pinto bean
or
breakfast gravy and biscuit`s until I met you. so funny when we
talked about \
you telling me how to cook those beans to mom Rit at her house
and she said didn't I teach you anything to me and you said well I
lived there so she called me we
all laughed .You and her were sisters and both so precious along
with
Opal & Ocie. You are with them now and all those you loved.
Dick and I will miss your hugs. Thank you for being so good to us.'
Rest in Peace Auntie Jo.
