“ *To know Joyce was to love her is what I think of when I remeber her. I had known Joyce since I was a small child living up Daystar Road. She feels like family and how I will cherish the past few times this past summer I stopped by to visit her. She loved everyone she came in contact with and most of all she loved GOD. If we want to meet her again we must make arrangements to meet her in Heaven. All I can say she was one of a kind and I feel blessed to have known her. I will miss her as I pass by her trailer going up the hollow. I pray for GOD to comfort her family during their times of need.*

Sincerely, Sue Workman Cassell

“ Joy Mae will forever be a part of my heart. Life is but a vapor and I will meet her again in Heaven. But until then I will carry her with me in my heart. One of the last times we were together, Brother Jimmy sang "I Want To Stroll Over Heaven With You" Joyce was crying and trying to lift her hand. I said something to the effect that she would be able to speak and walk when we got there and she began to shake her head and grabbed my hand and kissed it. I had said what she was struggling to express. I was so happy for her. Then the last time I saw her she had given me a big kiss on the mouth and was telling Michael "Whoopey!" I so loved it when she was tickled over something. The things that got us tickled might not have made other folks laugh but that was OK we were kindred spirits. "Joyce, I will carry you in my heart beside Mommy till we all meet again!"

Joy will be miss by her Preece's Family because she always showed her love to every single one of us. I think we will always remember her smile and hug that we received at any gathering/reunions, church or a chance meeting. I know she will always have a place in my heart. Love you Joy.
