“ *Larry, Tracie and all the family,*

I have such fond memories of all of you and Judy especially because she was never too busy to talk when you needed something....had a heart of gold. Your family was always special to me because of David and his drums which you taught him to play.

My thought are w/you ... just found this on line.

“ *Always a soft spoken beautiful person. I never heard her raise her voice or be mean to anyone. She was always smiling and quiet about her business. A real Godly woman in this day and age. Never complaining and always smiling is how j will remember Judy.*
