“ *Dearest Dimple and Family*

I just found Johnny's Obituary on Facebook - I am so sorry for this Great loss.

Although I only met you and Johnny during that trip that I made back home, you were gracious hosts for the day and I thoroughly enjoyed both your company.

My cousin Dreama Taylor, and Mary DeHart came with me for the introduction. You both provided valuable information to me for the family tree that I was and still am working on.

God Bless you Dimple - Johnny is already taken care of with the Lord's presence, and he will continue to look down to protect you and the family.

A Quote:

"When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.

~ Kahlil Gibran

You and the entire family remain in my prayers.

“ Johnny is missed already in our home, Mike talked to him almost every day until Johnny was too sick to call which was about 3 months ago. Even though we prayed for him daily the Lord of mercy had a better plan. I am so thankful that his son, John Paul and his wife Dolly, took such good care of him in his last days in this world. They were the best a parent could want to care for them. Mike and I want to thank John Paul for bringing him over to visit us one last time before he became so ill, that was about 3 weeks ago. He might not have remembered us, but we knew him and that was important. He loved to work in his yard and cut grass. We will think of that when spring comes and the grass is growing again. Johnny is rejoicing in good health now and will never be sick again, the Lord will take very good care of him.
