“ I was blessed to move into her former home in East Williamson December 2010. She left little religious things behind that made me feel she wanted God to be present here in her old home. I heard many beautiful stories of her over these past few years from neighbors. I feel blessed to have lived here for a short time. I am moving myself now n hope with the remodeling n work needed here the next family will be blessed in her former home too. I feel Katherine was a beautiful soul.

“ I am Don and Betty Campbells granddaughter. I use to attend East Williamson baptist church when i was a child. My mom thought so much of Kathryn.Kathryn was a wonderful person. Our family loved so much. She was always so kind. We just wanted you to know that you all are in our thoughts and prayers.

“ Katherine was a wonderful Christian woman who loved the Lord. She had a beautiful singing voice and sang in our choir at East Williamson Baptist Church. She once told me that when her children were young, she prayed to God that He would allow her to live to raise them; and He did! Then she said she prayed that God would allow her to live to see her grandchildren; and He did. Then she said she prayed that God would allow her to live to see her great grandchildren; and He did. She said she felt very blessed. Katherine was a funny story-teller and always kept us laughing at church. She loved her church family, and we loved her. She is missed. Our loss is heaven's gain. My condolences to Rodney, Sharon, and the rest of the family. Praying that God will give you peace and comfort in the days ahead.

When ever I would go back to Ky. and go to Walmart, no matter how long it had been since I seen her she always knew who I was. She knew I was Bill England's daughter and asked about everyone in Tn. We hated to see her move to Indiana because we knew we would never see her again, and we didn't! So many people passed through those Walmart doors and everyone knew Aunt Kathryn! I always will miss her especially when I walk through those doors. She loved telling us about dad having a red rooster tat would chase her whenever her and Uncle Vernon would come to my grandparents house. She swore that rooster just hated her and nobody else. Lol! She has been missed for 5 years and will continue to be missed. R.I.P. AUNT KATHRYN ENGLAND! Always loved that big cheerful smile she always had on her face.

“ *Sending my condolences, love, prayers to Rodney and Sharon, I'm so sorry for your lost! Kathryn was a special lady, a member of my church family and a great choir singer. She had a heart of gold, never knew a stranger and enjoyed life to the fullest. She loved others, laughed a lot and was always smiling. I first met Kathryn through her daughter, Sharon, when we were teenagers. Then Kathryn was a patron of mine during my cosmetology years. Later as a dear Christian sister at East Williamson Baptist Church. She was a good friend of mine throughout good and rough times. I'm sure Kathryn and Vernon are in Heaven, holding hands and walking down the streets of gold while stopping to visit old friends and family members who arrived in Heaven years earier. Most important Kathrye is home with her Heavenly Father God, talking with Jesus Christ her Savor and meeting with all the Bible's men and women she read about over the years. May God bless, comfort and send His love to Rodney and Sharon, plus all Kathryn's extened family members. Praying God will bless, watch over and protect everyone as they travel back to their homes..*

Love always,

I loved being around Kathryn because she was always full of life. She enjoyed being happy, laughing and having fun. She loved her children with all her heart and soul. She was a special lady who loved her church family, the Lord and Jesus Christ. I'm sure she is in Heaven this very moment and singing with all God's angel. She and Vernon are holding hands while walking on the streets of gold visiting old friends and family. Sending my condolences, love and prayers to Rodney and Sharon, plus all extended family members. We dearly loved this lady at our church. We miss her so very very much but God assured us that we will see her again one day. So until that day comes, Rest in Peace Sister Kat. I know you and Vernon are together again and waiting on the rest of your church family to join you forever.
