“ *Kathy will be missed by so many, my son Chris Bragg loved her dearly and I firmly believe they are reunited now in heaven. Kathy will get the answers to the questions she and I talked about on several occasions. I know her journey on this earth has not been an easy one but her race is run, she is pain free now and rejoicing...God bless all of you her family and friends...*

“ I will miss you Kathy all the good times we had shouting and praising our Lord! You were one of the kindest people i have ever met and always seen the good in people. Your friends are many and i am blessed to be one of them. Heaven was waiting for you God needed you home. I will never forget you and will keep your memory alive in my heart and mind. One of these days, we will be shouting and praising our Lord again as the song says, Look for me. You made it, now we have to do the same to be with you. I know your family is suffering but they have hope for tomorrow because there will be a great reunion in heaven!!

Love you lots sis
