“ *Kathy was one of the sweetest people I've ever met , I went to church with kathy for years and I do believe she lived a christian life everyday, always the same any where you seen her always the same smiling Kathy, You could see and feel the love of God in her, There's not many if any at all left like her , She was a light to everyone that knew her, Kathy was an example of how a christian should be and act and dress , I know God only takes the best, God bless you Chris and Misty.*

“ We’ve knew Kathy for many years, at one time we were best friends. As we got older we drifted apart some but always kept in contact through church & our kids. Through all these years we’ve always loved each other & tried to be there for one another. She ended up being our neighbor, she would come up & see me, checking on me from time to time. She was one of the best. we love her & already miss her.

“ Kathy was one of those few ppl in life that everyone wanted to be around because she had the best personality, always FUN, loving & ready to help anyone. She loved God, her family & church family more than anything. She was always willing to pray with/for anyone @ anytime, she was one of those very rare gems in life that we were lucky enough to know not only as a friend but family too! She worked her whole life for one thing, her place in heaven, that she now has!! We love you & will forever miss you, Kathy....Shout around the throne once for us 🙌❤️🙏❤️

“ *Kathy beautiful smile will be missed by many especially me she was like my second mom as Misty Chris and I grew up together living side by side she is truly a great woman and very faithful to her church and the most humblest person I have ever met in my life and as I got older I have my own child and Kathy loved her and my daughter also returned that love..... And as I think back one of the most mirable things that pop out to me is Kathy had a hello Kitty bike And would ride it up and down the road and my little black basset hound would chase her up the fence line and she would just laugh she was surely be missed but she went home or she has no more pain May God bless Misty Chris and the rest of the family*
