“ *Never dreamed when I put you on that bus.....It would be the last time that I would see you KK. I drove by the bus station today and could still see you turning around and saying "I'll be ok Deb, I love you!" So heart breaking!*

I will never forget how cute and funny you acted...or the canoe, or your hot dog hat or my overheated car! LOL, you were just gonna leave it sitting there and haul tail to the bus station. I will miss you Kayla Murphy.

Tim is just overwhelmed with grief. He is on his way, I wasn't able to make it but I made sure that he did!

You and Derek Alan now have anniversaries a week apart. Gone way too soon.

I Love you.

“ I have Known Kayla for many years, as she dated my father Ray Blankenship. I remember the first time i met her she was so nice to me and played with me, which not many of girlfriend's did. We got along so well and We became very close during her relationship with my father, however we lost touch for many years after his passing. I pray That her family finds comfort and peace and that her soul rests easy. Much love being sent up.

“ I met Kayla 17 years ago through her brother Erick, Kayla soon became one of my greatest friends. For the last year she would call me almost everyday and we prayed and read the Bible together, the 2 things I will always remember is her beautiful eyes and sweet voice. I will always miss and love her. I do rejoice knowing that she was saved in the blood of Jesus and that I will see her again in heaven.
