Ken was one of a kind. We always loved Ken and Trish. Ken could make one laugh just by listening to him laugh so hard. He will be sorely missed here on Earth, but we will see him in Heaven. God guarantees that, and we all thank God for that.

“ So very, very sorry for your loss. I liked him a lot and he made you happy. You could tell. So sad and so sudden. Let me know if I can do anything at all. Love ya and the whole family.

“ We loved Kenny so much. My heart hurts for Trish, his family, our church family, and especially our Lunch Crew. We had so much fun together and we made lots of memories. He was the best straw shooter I ever saw. He beat me every time. I know he is enjoying Heaven and we will see him again. He will probably meet me at the Pearly Gates with his straw ready to get me.
