“ *Brother Kevin, I just heard of your passing. I wish I could be there for your funeral. I just returned from an overseas assignment and can't make it. I can only imagine what it must be to hear "Well done, good and faithful servant" on that day. You will be missed but always be in my memories brother.*

“ I am truly saddened by his passing I loved my cousin very much and will miss him a lot. I Amy not have gotten to see him very often but he was always in my thoughts and prayers. Whenever I needed prayer he always prayed for me even though he was going through his own illness that meant a lot to me.i know he isn't suffering anymore and that helps to ease the suffering. I will contine praying for his family and friends.

“ I am so sorry to hear this. His silliness and sense of fun were always present in marching band at WHS. And yet he never failed to work hard and do his part to make us better. Prayers for all of you during this time of grief.
