Gene, heaven certainly gained a wonderful man. Our loss but heavens gain. I loved just talking to u. And, you loved for me to clean up the kitchen and organize things. It didn't matter if Chris was there or not you'd welcome me right in and let me make myself at home. One time you just made me go to bed..I think really bc u didn't wanna deal with me that time. But seriously, you ARE a great friend, man, father, grandfather and son. I was more comfortable at ur house than my own mothers. Thank you ♡ you are surely missed but I'm thankful the suffering is over. Rest in peace my friend, and my sincerest condolences to all of the family. I love u all.
