“ Shon will be missed without a doubt. Her love, her smile and sweet Spirit. Our friendship was one that I cherished, she was one who could make you laugh when you didn't feel like laughing, she cried with you and was very compassionate to those who were hurting.. To all that loved her just know God loved her more although she's absent from the body but she's now present with the Lord.. Rest on my friend no more pain, no more suffering from not living the life you so loved with your family and friends. R.I.P. My Friend. My memories of her will all be full of laughter..
