“ I have known Lewis Hall for many years. He was a good friend of my brother Ernest Hensley and his wife Billie. I used to go in his store in Delbarton. I bought a pitcher and bowl from him and I still have it. May God bless the family and help them through this.

“ I'll always remember sitting on his knee as a child...we talked about it often...He was a dear family friend to my late parents (Edward & Shirl Dempsey) He always call me one of his girls. I will miss your hugs.... you can share them in Heaven now... Hope to see you soon. Until we meet again...Farther Along will know all about it, Farther Along we'll Understand Why. Cheer up my brother live in the sunshine.. we'll understand it All By and By.

“ A memory that I laugh at every time I think about it happened at Rockhouse. I was sitting at the end of the pew on the aisle. Had never heard a sharp word between him & Dottie. This was about 20 years ago. As they walked pass me, brother Lewis said, "Where are all the old people?" Dottie answered back "WE ARE THE OLD PEOPLE". He said, "Oh". I realized in that moment that not only were they great Christians but down to earth humans. Great leaders not only for the church but for the community as well.
