“ We will always love you Wig and you will be missed. You was the first of the kids, you led the pack, but no one could ever fill your shoes. You did things your way, and that was the right way. There will definitely never be another like you. A Dusty Rhodes. Fly high beautiful and tell Fancy Fanny and Willie and all the rest hello for us and hold the fort down until we get there. Now you and Patty Ann/Hunts will be reunited again. Keep them all in line like only you can, Lol. I'm sorry for the pain you felt for so long but you'll never hurt again. We love you. R.I.P. Until we meet again

Teresa, you only done what your mommy wanted you to do for herself. She was tired. She was ready to go see family she hadn't seen in awhile. I know you hurt, we all do but your mommy is rejoicing right now and happy. Probably laughing at our sadness. But please know she's not in pain and she's so happy to be with Pat Pat and Fancy and Earl and Willie and so many more

“Granny was one tough lady. She definitely taught us to not take crap from anyone and if you had something say, just say it! I loved to visit when we were little, she sent home little 🐣 to raise. We used to eat at Ponderosa where Vik would eat chicken wings, Granny always called her chicken after that. She loved her kids with all her heart! I will miss her and thank God for taking her pain away.

Very well said!! My own mom always says, "If you think something, you may as well say it. Because thinking it is just as bad as saying it!!" LoL Wiggin "Big Dusty Rhodes" was a great person and we'll all miss her. Prayers for everyone. R.I.P. Wig

In life, if you are intelligent, you are admired. If you are wealthy, you are envied. If you are powerful, you are feared. But if you are blessed with a good heart, you are remembered ALWAYS! Its not about the wealth, power, and Intellect, but the LEGACY in life behind those people you have touched. Mom will be missed by all of us.
