“ Lloyd was like another big brother to me. We grew up as neighbor. He also stood in as a Dad for my son when he was growing up. Took him hunting, car shows....taught him thing a Daddy should. His kids were part of my kids. We may not be blood but just as close. I remember when he started trying to see Connie I would pretend she was going somewhere with me so she could meet Lloyd. Him and my older brother were never afraid to take care of business themselves. But he was very respectful to my parents. He will really be missed. But he's so much better off than we are...now.
