“ She was one of my BFFs I don't know what hardly to say we had so many years together it's hard to kiss off a friend or accept their death... No matter what comes or goes nothing can change my love for you I was your Reva and you was my fluffy... She and I both called each other this after Reva Jarvis and alice fluffy Jarvis passed away... Because me and her argue like those two did but still loved each other deeply we understood each other yes we were still BFF because we argued that mainly wouldn't be at best that was just our way of being buddies you're going to be forever held in my heart my mind always in my thoughts and I don't know who I'm going to get to argue with me now so maybe yavon mit take up the slack... Loving you always memory thoughts and all of our good times we've had together...love you... to the moon and back... forever.in my heart and never forgotten....Wendy ... 🌹🙏💕💋
