“ *I only knew Mrs. Mahon thru her son, Amon as he & I went to school together. Occasionally, I would spend the night with at their house & I found her to be an extremely nice lady. She was very warm receptive of me & of my spending time at her home & with Amon. I know it is to happen to us all, but it still saddens me to here of her passing away! May God be with her family & ease their sorrow as time goes along!*

“ *This lady had such a goodness about her. She loved her family deeply and her love of God was evident in everything she did. She stopped anything she was doing to say a prayer for strangers she had never met. I thank God for knowing this woman and for all the prayers she said for me and my family. My Prayers and Thoughts are with her family and my heart goes out for my best friend who was blessed to call this lady mom.*

“ *My Aunt Lorraine and Uncle Amon and my Mom & Dad (Shell & Walter Curry) used to live beside each other below the mines and, when I got to stay all night, the stories that we all shared about their younger years will be with me FOREVER!!!! Loved Lorraine so much and never knew anyone with a kinder, more humble heart than she always had and while my hearts hurts for her kids now, I hope u all know that I love you so very, very much!!!! I won't be able to get down for the services but am always, only a phone call away and will always be here for you guys that way your Mom and Dad were always here for me. I can just imagine the 4 of them, together again, with my sister and theirs, and the beautiful singing that is going on in heaven now, and how I can't wait to hear those wonderful singers again one day. All my love.....Argina (Tinse) Curry Layne*

“ I was so sad to hear of the loss of such a sweet lady. Our father
(Bee Varney) spoke so highly of her and Amon. I can remember alot
of visits when we were young and later in life whenever I had the
opportunity to see her it was always a Blessing. Our hearts and
prayers are with all of her family, especially her children.
