“ *Lovella was a dear cousin of mine. She was such an upbeat, loving person. It is so very sad for us to lose her. But we should rejoice, for she is now with her heavenly Father.*

May time ease the pain her children and close family members are feeling from this loss - but may all of our wonderful memories of Lovella remain vivid in our minds and hearts so that through them she will live on inside us.

*With much love,
Doreen (Charles) Luke*
