A beloved member of our "Hensley Big Branch" community has departed from us - someone who has been a part of my life from its beginning. Many, many memories of events shared with her - growing up years, high school, teaching days at LHS, working on All-Classes Reunions, going to individual class reunions, talking for long periods of time on the phone, and visits in the homes. To say she will be missed, is putting it mildly. To the 2019 All-Classes Reunion Queen, may we all have pleasant thoughts and memories of shared time. Through all the years she has been someone willing to do and help others. My Friend, you will be sorely missed and will see you again one day.
