“ I always had a great relationship with Mae every since Judy and I became friends in junior high. I have much love for her and her family. When a mother loses two of her children, has to be the worst thing in the world to go through. Mae endured so much but was always kind no matter what she was going through. She was a great wife, mother and grandmother. May she rest in peace and reunite with Judy Kay and Clarence Ray. They will always be a part of my life and I am so thankful for the time I had with them. My thoughts and prayers are with Clarence, Darian, Dylan, Lisa, Sammy, Lee and all of the family. My deepest condolences for you all 💜
