“ *Marcie was a wonderful caregiver for my parents. I'm so sad that's she's gone. One thing I learned about her was that she had this unconditional love for her family. Always talking about them with such love. Those grandbabies were her world. I just wanted to tell her family how heartbroken I am for them and prayers go out to all of you. Love you Marcie Drema Kay Cooper*

“ *I have so many memories of growing up around Marce. It would take a book to write them all down. The only thing I know is God has another Angel, and she will be missed. I am still in shock and cannot believe she is gone. We will be praying for the entire family, and I hope she knew just how much I loved her.*

*Marce was the closest thing I ever had to a second mom she was one of the most giving women I have ever known. I knew that if i ever needed her day or night that she would be there for me. She will be sadly missed by so many in our little community since she was always volunteering a smile or a good laugh for all that crossed her path. The family made my entire family feel as we were not just neighbors or friends but we were family. I have many many memories that I will always cherish of her. Please keep Tiffany, Ed, Sydney, Avery, Skip and Little Skip in your prayers especially through the next few days. Gone but NEVER forgotten. I'm sure you have your eternal "bling" in heaven Marce. Love always!!!*

“ To the Farris Family, I am sorry to read about the loss of your Marcelline. My family and I understand and share in your grief, having lost my beloved wife just a few short months ago.
