“ *I really enjoyed our last talk we had. It meant a lot to me. You meant a lot to me. I will never forget all the good times we had when we were younger. Love ya always*

“ *Margie was a wonderful woman. A great mother, a great sister, a great friend. She loved to do hair, do make up, play ball, and I remember how much she loved to dance.. And she didn't care about if you liked it or not. That made her genuine. She loved with all her heart... She always made time for me and included me when I was a child. And when I grew up, had my own babies, she loved them as if they were hers, too. My heart breaks for Alex, Whit, Bray and Roy. A piece of them is now missing. She will not be forgotten. May she rest in peace, yet stay within our hearts.*
