“ *I just learned today of Marilyn's passing. Never will I forget the fun we had while working together at the old, cold, welfare department. John and I looked for to seeing the two of you at the tournament each year. We all had a true love of the game even if our teams were not that great. James and Charlene my heart goes out to you and your children even if I don't know them. God bless you all and I hope our paths will cross again.*
Love You,
Eppie

“ *Marilyn had the most radiant smile of anyone I've ever met. You could tell it came from the heart and you seldom seen her when she wasn't smiling. She enjoyed life to the fullest and was just an amazing woman. The world was truly a better place for her being her. She touched so many lives. I am a better person for having known Marilyn.*

I was very blessed to have a friend like Marilyn. She was one of a kind, and I loved her dearly. We had some great times in the cabin. She loved her family and the lord dearly. I will miss her greatly.

“ My heart hurts. We have lost a shining light. Marilyn will be missed for so many many reasons. She had a kind heart, loved pleasing people and was my co-pilot for so many years as we drove into work. Your light will shine on Marilyn, I truly do miss you. When you hit those golden gates tell everyone we miss them. I love and miss you my friend!!!

“ Marilyn was a true friend and Co-worker. We shared many years of memories together as my work family. She was definitely a kindhearted, caring individual. After she retired we still met several times for a dinner gathering with co-workers to keep in contact and catch up. God gained a beautiful Angel. RIP dear friend.
