“ *I am so sorry to hear that Martin has passed. I remember lots of good times when Uncle Jr and Aunt Thelma would come visit with the family.*

“ *I didn't have a whole lot of memories with my uncle Martin, but I remember a lot of stories my mom told me when they were all kids. I really only remember when we'd all show up at my granny's Thelmys on the weekends I'm guessing. He was a good guy from what I can remember. I loved him just like the rest of my uncles and aunts.*
