“ *I will always treasure our time together when we lived on Otokar and all the trouble we use to get in. Mary was always laughing and had a smile on her face. I was so happy that we were able to have our cousin reunion a couple years ago where we were able to tell childhood stories, eat and laugh. What a wonderful week-end we had. I will miss you Mary.*

“ *I have known my Cousin Mary since her birth and we visited regularly with the Family in Cleveland. We lived nearby for many years and I Baby Sat with her many times. My fondest memories of that beautiful little girl involved watching her grow up and into her teens. She wrote the nicest letters to me, which I shared with my Shipmates, while in the Navy in Viet Nam, which I treasured. She was always thoughtful and kind to everyone and her hugs could lift a person off the floor. Anyone who has known her will surely miss her and continue to tell her stories. I know I will.*
