She was a good person. She had a good heart and she loved her children, grandbabies, and great grandbabies. She always had a smile. She will be greatly missed.

“ I will always remember my mother-in-law taking such great care of me when I was pregnant with my first son. I would spend the nights with her because Darrell worked 3rd shift. She would tuck me in every night to make sure my "Precious Cargo" was warm. When the big moment happened, she was the one who drove me to the hospital and did not leave until she saw her little grandson.
