“ *Mason was a good kid. He was like part of the family we've known him so long but this Summer him & my son Ryan Hall became very good friends. They worked together so hard cutting grass for people. Everyone bragged on how good of a job they did. Mason will surely be missed by us, my Grandbabies absolutely loved him because he would sit with them & listen to them and talk with them for hours. U will forever be in our hearts Mason fly high .*
