“ I'd like to express my deepest condolences at this terrible time.
"Biggen" was always a welcomed guest at our home. I am so sorry
for this loss. It just isn't seemingly for us to see the young people
from our community being taken so soon. Please know that the
entire family is in our prayers.

“ When I was 15, I had just gotten my learners , Mikey and my mother , Kista was trying to teach me how to drive. We were turning off the four lane 119 , onto the Dunkenfork bridge. I was turning in there about 45-60 mph , my mom was saying, "Sarah ...Sarah... SARAH!!" And Mikey said "this is going to hurt." I successfully made the turn with out putting a scratch on the vehicle . My mom started yelling at me and said "Sarah, you can't do that!" Mikey laughed and said "well , she just did !" I laughed then too... we also used to watch a lot of wrestling together , and he taught me how to play football.. it's hard to believe that he is gone . RIP. Prayers and love to his family .

“ We hadn't really seen much of each other since high school, but back then we were a good solid group of kids. We had so much fun. Big En was a teddy bear. We got stuck in the mud in my little neon once and he pretty much scooted the back end around a little so we could get to school. LoL everytime we ran into each other he would bring up stories from back then and say he Missed us. So sorry for his family. RiP Big En!
