“ My heart is broken, you was one of my first friends I made after moving here, and then you told me you was from West Virginia I knew we would be forever friends. You and your family always treated me more like family than a friend. Lots of great memories, I will never forget the beach trip with you, Dolly, Crystal and Robin (that was a hoot) and holidays and birthdays. Some how life gets so busy and you don't see each other as much and that is so sad because we are not promised tomorrow. Much Love, Hugs and Prayers to everyone who knew you and are heart broken that you are gone, but we will see you again. But until then Rest easy my sweet friend and know you was loved by many 😭💔🙏❤️
