“ *June came into my life when she moved next door to us. I remember her as a very classy lady and always smiling. I never saw it coming, but in the near future she became my sister n law. Her brother Ricky said one night at June's is when he knew he fell in love with me and would marry me. So I am thankful God brought June into my life, It changed my future. Rest in Jesus sweet sis.*

In Loving Memory of my Aunt/Sister..this candle is lit in memory of my mom, Jean Gail Varney Smith Grimm. June was not only her sister but her very best friend. I can only imagine the joy in heaven as June arrived.. I am her namesake and I love her very much, my heart breaks for Ira and the family. May God give you the peace that can only come from him..She was surely a one of a kind lady! I will always love you, Alma

“ Gran came into my life 38 years ago when I was only 16 years old. I married her son and she became the best friend I have ever known. She has made me laugh, cry, dance and shout and through it all we always loved each other. Some of my best memories are riding to church together going to Sara Ann, we talked a lot about the Lord and how good he was to us. We served God together and one day we will walk through heaven together. Until then, I will cherish every memory we made. Always in my heart and forever on my mind. Love you Gran...Kat
