“ *Vernie and Bill,*
I am so sorry to see that Norene passed away. I didn't see it until Saturday morning. I will always remember you all for bringing her by my home to visit. I looked forward to those Friday visits after she had gone to the beauty shop. Also all the times she visited while working at Logan Grade when she would come by the boards office asking for my advise.

When I would find those bags of produce on my porch, I knew who had brought them and I had missd her visit.

She is in Heaven now with no more pain. I will always remember my special friend.
