“ My Mamaw Ocie, how I loved her. She was so special to me. I have so many wonderful memories of her that I am so thankful for. I don't think I will ever run out of them. That is special to me to think of her and a new memory pop up. I could think of things she did that make me chuckle, or things that she said that made me feel loved. I feel very blessed that I have these memories until I see her again one day!! I believe without a doubt that she prayed many prayers for her children and grandchildren. She was a light to me and I am thankful that she was my Mamaw.

“ *My Grandmother was a loving woman and she was dear to me. I will miss her greatly and her prayers, too. I thank God she lived a long healthy life, be it full of joys and sorrows we all must bare. She loved her children and all her grand children greatly, She was blessed of God and lead us to Christ our Savoir, a gift of precious giving. In return most of us follow her foot steps in following Christ. I could not ask more than that. Thank you, Grandmother for that precious gift. We hope to meet again.*
