“ *Ola is my Great Aunt. I'm the daughter of Bessie Jones. My Mother's heart is broken as she simply adores her Aunt Ola. Ola is the last of her family (brothers & sisters). I wish I had gotten to meet her. Mother has always talked so highly of Ola. She lived a good long life and has finished her race and has gotten her reward for she is now in Heaven with her Savior and her children, brother & sisters and many more family members. Now she will watch over her children and grandchildren until she meets them again one glorious day. Rest now Aunt Ola, in the sweet arms of Jesus and then rejoice with your sweet children that was waiting on you to get there. What a glorious reunion that must have been.*
