“ *Dawn I posted a note to you but I don't think you received it. I just wanted to say that I am sad about your mom's passing. As we talked yesterday at Walmart, I said I wanted to attend my cousin's service . But due to circumstances , I was not able to be there. My love and prayers to your family.*

“ *This news make us so sad. I remember Olgie to be a wonderful, hard-working woman who loved her family and was a close friend to her sister, Barbara, my Mom, who she grew up with. Olgie came to live with us for a few years in Northern Virginia when I was about 8 years old to attend Beauty School. While there she helped my Dad take care of my brothers and I after Mom was in a horrific car accident and in and out of hospitals for awhile. Olgie was a fun and funny Aunt who treated us like we were her own kids. After she moved back to West Virginia the family and I kept in contact with her for a time through weekly phone calls. I had not seen her in years, unfortunately, at the time of her passing but will always carry with me the good memories of what a sweet, charitable and positive woman she was who truly enjoyed life. My Mom, brothers Cliff and Greg and sister Nicole send much love and condolences to Olgie's friends and family.*

“ So sorry Dawn about your mother passing on. Didn't know her but if you inherited any of her traits, she had to be a sweet lady. God bless you and all the family.
