“ *Orphia you were very DEAR to my life, I know you are in a better place, and enjoying Heaven with Asia, all your brothers and sister, your Dad and Mom, my Dad and Mom. Enjoyed the visits we had together, they are priceless to me. Rest and take a look around at all the joys around you. Meet all your friends and love ones and take time to think of us back here that has all this all to go through with. you have beat us but thank God they are another meeting place in Heaven and we all can be together forever, with no seperations, no more dying and we all can set down by the tree of life and watch the river of life go ebbing by. Will miss you, but that is life here on earth, sleep on an take your rest DEAR AUNTIE I love you with all my heart. Until we meet again.*

p.s. Don't forget to smell the flowers, they are almost as pretty as yours. GOD BLESS!!
