“ Remember me with smiles not tears,for all joy through all the years,Recall the closeness that was ours,a love as "sweet" as fragrant flowers,

Don't dwell on thoughts that cause you pain,We'll see each other once again,I am at peace...try to believe,It was my time...I had to leave

But "what a view" I have from here,I see your face,I feel you near, I follow you throughout the day,Your not alone along the way.

and when got calls you...you will be, Right by my side...right here with me till then,I'll wait by heavens door,We'll be united... evermore!

*I hope you take comfort in each other in this time of need
