“ Where to being? I feel lost & confused. You was all I had left. This happened too soon. I need you now more than ever. But I kno Ur not suffering anymore. It hurts beyond a hurt I've never felt before. I can't pick up the phone to call you & talk about my problems anymore. I could tell you anything & you'd never repeat it. I could trust you. You was always my bestfriend. I'm glad God chose us to be together as Mother & Daughter. Our times together was never perfect. Lol But we had each other & Ur company was enough for me. just seeing you & talking to you was perfect enough for me. I always felt the love from you. Always. I love you .. My Mother... For ever & always.

Your Daughter,

Jacqueline Sue Beasley
