“ I have so many wonderful memories of growing up with Pat being my dad's best friend....vacations to Myrtle Beach and Cincinnati to watch the Reds play, poker games, and just hanging out. I don't think I ever seen him in a bad mood. Always laughing and joking around. My heart breaks for Debbie, Mary, and Chaddy....and the rest of this wonderful family. My thoughts, love, and prayers are with you all.

“ *Debbie & Family,*
So very sorry for all of your loss. One memory of Patrick that I will never forget is a few years back, in the fall, he came knocking on the door --- it was late at night but I was up. He told me that someone was laying in Gene's driveway and he didn't know what to do cause it was really cold out and the man wasn't moving. Most people would not have cared and just went on by --- but Patrick did care and he probably saved this man's life. You and Patrick have been wonderful neighbors and there are not too many good people left in the world. May the good Lord above bless you with peace, strength, and comfort.

“ *My deepest condolences for Debbie and her entire family and friends. Even though I hadn't seen him or his family in years, he is a dear friend. Pat was one of those people that when you met him, it made you wish you were a better person, so the differences in character weren't so obvious.*
