“ *I am sorry about your loss. When you lose a beloved mother in death, it can be distressing because you will miss her very much because of the special place she has in your life. Be encouraged though by the promises in God's word concerning the hope of seeing your loved one again when you can enjoy life in a world without tears. (Revelation 21:4)*

“ Brian, I am so glad you got to spend as much time with her as possible, you really took good care of her and saw that she didn't want for anything. Aunt Patty, I will always remember how you loved to see us when we visited and you always said what was on your mind. Rest In Peace now, you don't have to be worry or be afraid any more! Love to you, forever. Kathy & family
