“ Paul was my father in law for almost 20 years. He was a great man. He made me laugh a lot. He shared his passion of trading and animals with me. He always made me feel as family. He is the only papaw my three children had locally. I couldn't ask for a better papaw for my children. I can say, they felt nothing but love from him. Divorce or not, he was here for me, a phone call away. I have the belief in the resurrection, I will see this wonderful man again. I love you Paul. Thinking of your family, may they find peace.

“ *When I am gone, release me let me go  
I have so many things to see and do  
You mustn't tie yourself to me with tears  
Be happy that we had so many years  
I gave you my love, you can only guess  
How much you gave to me in happiness*

*I thank you for the love you have shown  
But now it's time I traveled alone  
So grieve a while for me if grieve you must  
Then let your grief be comforted by trust  
It's only for a while that we must part  
So bless the memories within your heart  
I won't be far away. For life goes on*

*So if you need me call and I will come  
Though you can't see or touch me I'll be there  
And if you listen with your heart you'll hear  
All of my love around you soft and clear  
And then when you must come this way alone  
I'll greet you with a smile and welcome you home*

*Prayers for the Family, I sure wish I could have been there for Uncle Paul and all of you, I love you all, and your always in my Heart and Prayers.*

“ I wish I had something more positive and encouraging to share about Uncle Paul but this will have to do! When I was about 4 yrs old he was babysitting me and for some reason I angered him. For those of you that know anything about me you know I was a perfect angel! Not! Well we were in the back yard in our house in Akron Ohio and he was trying to catch me to give me a spanking and I decided I wanted nothing to do with that so I grabbed the hose and fired it straight in to his face for a long time! I honestly can't remember if he ever got ahold of me but I do remember thinking how funny it was to watch him trying to catch me with a full blast of water squirting him in the face! RIP Uncle Paul! You will be missed!!!!
