“ What to say???? Julius and I were just talking this past weekend and wondering how Kevin and Penny were doing as it has been so many years since Julius worked with Kevin at Marrowbone and we have thought of so many of our friends that we had lost touch with. To find out this news has been a shock to us so we cannot begin to imagine how the family is holding up but want everyone to know that our hearts ache for all of you and we pray that somehow you may find comfort in the support and love of each other and friends until the day when you will finally be together again, as God has promised us so graciously! Kevin, we have so many fond memories of the 2 of you from when you married each other and that beautiful and contagious smile of Penny's and that joyous laughter she so easily possessed. Please know that we are here for you if you just need someone to talk to. God be with you ALL! Our heartfelt sympathies.....Julius & Argina Layne
